

## Announcements

*As we enter 2021, let us pray for the whole world, and that with this new beginning we can find hope, healing and prosperity.*

*Please watch over us and give us the strength to continue moving forward. Pray that the world overcomes this pandemic and that you help to heal all of those who have suffered in any way throughout this year.*

*Please help us to use what we have learned throughout this year's hardships to better us, the world, my community, and my relationship with you. We pray that we continue to grow closer to you and that our faith my flourish.*

*Thank you for helping me to get through the year and giving me an opportunity to enter into a new one. We pray that this new year is filled with joy, peace, love, and hope.*
