

Trinity Clappers

Rejoice! Rejoice! Our historic 1842 steeple bell has been completely restored and was ceremoniously installed and blessed on December 18, 2020 at 5:45 AM. We are again rejoicing because members of our congregation have generously contributed \$20,000 to this restoration. And we are rejoicing even more with very grateful hearts because Janet Wesson matched our donations and gave the Bell Fund \$20,000 to cover bell expenses. **Janet is giving this donation in honor of her beloved husband, Bill Wesson**, (pictured right) who was a member of Trinity and is buried in the Trinity Memorial Garden. A big hearty thank you to Janet and all who gave to keep our bell ringing loud and clear across the plaza through the next 100 years.
